**Statement from the Board**

**Statement from the Board - 2010-2011 Budget**

Langley's Board of Education continues to work with partners, staff and the community through the very difficult budget challenges we as a district face. Our focus is on students and on making decisions that will result in quality programs and services in the coming year and into the future. Achieving this objective means implementing structural and procedural changes that will position this district to succeed in the changed operating environment it - and virtually every other district in the province - finds itself in. We will continue to reach out to all our partners and to work with senior staff as we move toward adoption of a 2010-2011 budget. All our partner groups have been invited to a Budget Information Meeting to review proposed budget reductions and solicit partner and community feedback and discussion. The public is also invited to the Budget Open House, June 1 from 6:30 to 8 p.m. at the School Board Office.

D.W. Poppy Secondary School's *Poppy Players* are proud to present "Honk!" as our annual spring musical production. "Honk!" is a wonderful musical comedy for all ages. This modern adaptation of a classic fairy tale follows the story of the ugly duckling, whose odd, gawky looks instantly incite prejudice from his family and neighbors. Along his journey he discovers his true beauty, and finds love, friendship, and acceptance in all its forms.

Evening performances will run at 7:00pm from April 14 to 16 at the D.W. Poppy Dramnasium. Elementary school matinees will be held at 12:00 pm on April 14 & 15. Tickets for "Honk!" will be sold at the school office and at the front door starting Tuesday, April 6.
